Como cadastrar uma nova lente de contato para um paciente

Aprenda como adicionar rapidamente uma nova prescrição de lentes para um paciente. Este guia irá orientá-lo(a) passo a passo para cadastrar, preencher e imprimir os dados da lente de contato.

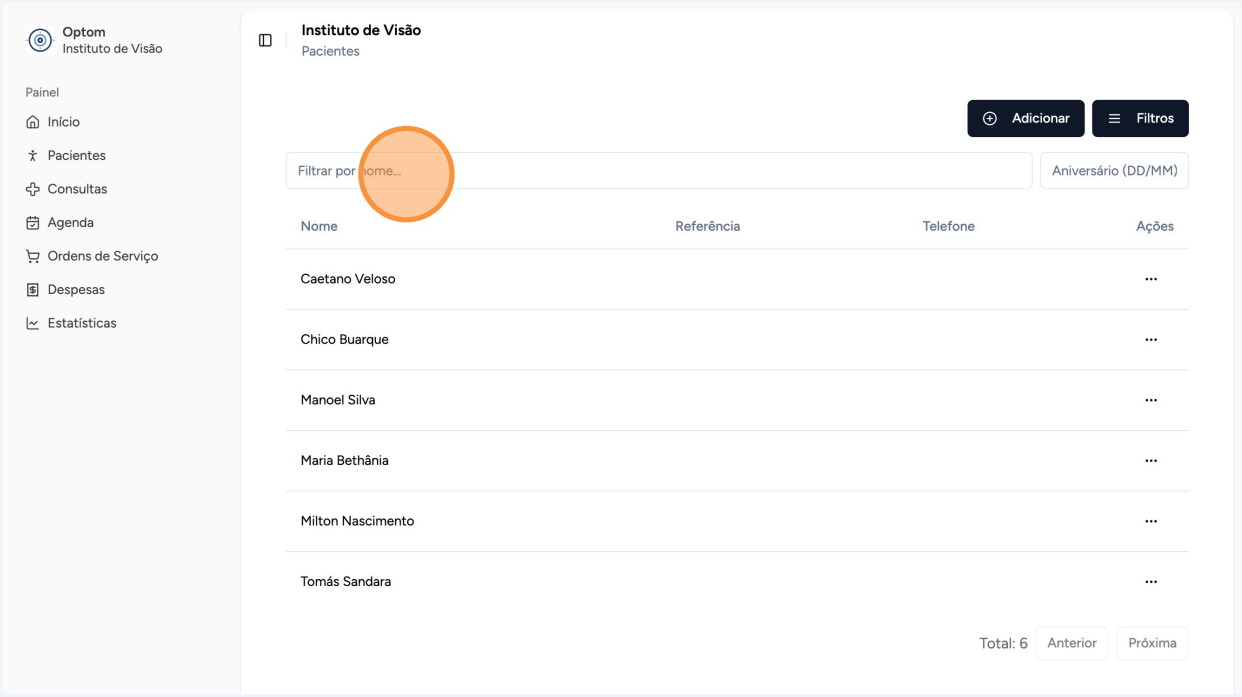

1 Navegue para https://app.optomapp.com

2 Clique em "Pacientes"

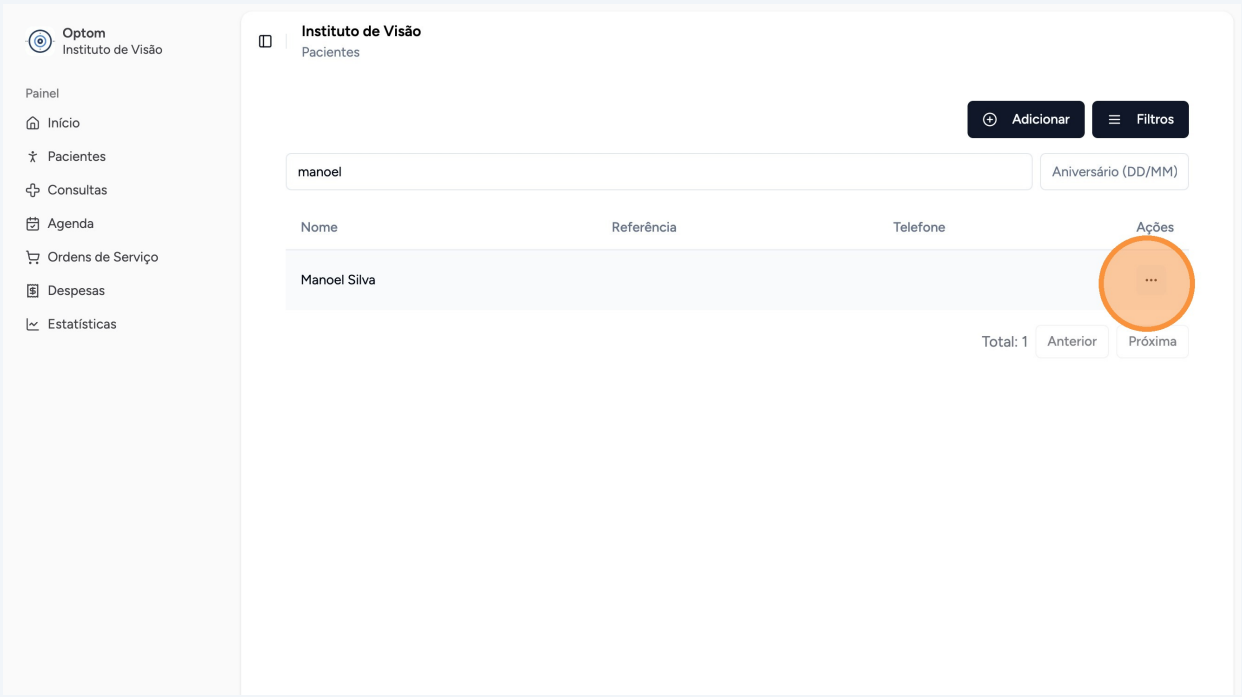

3 Procure pelo paciente clicando no campo "Filtrar por nome...".

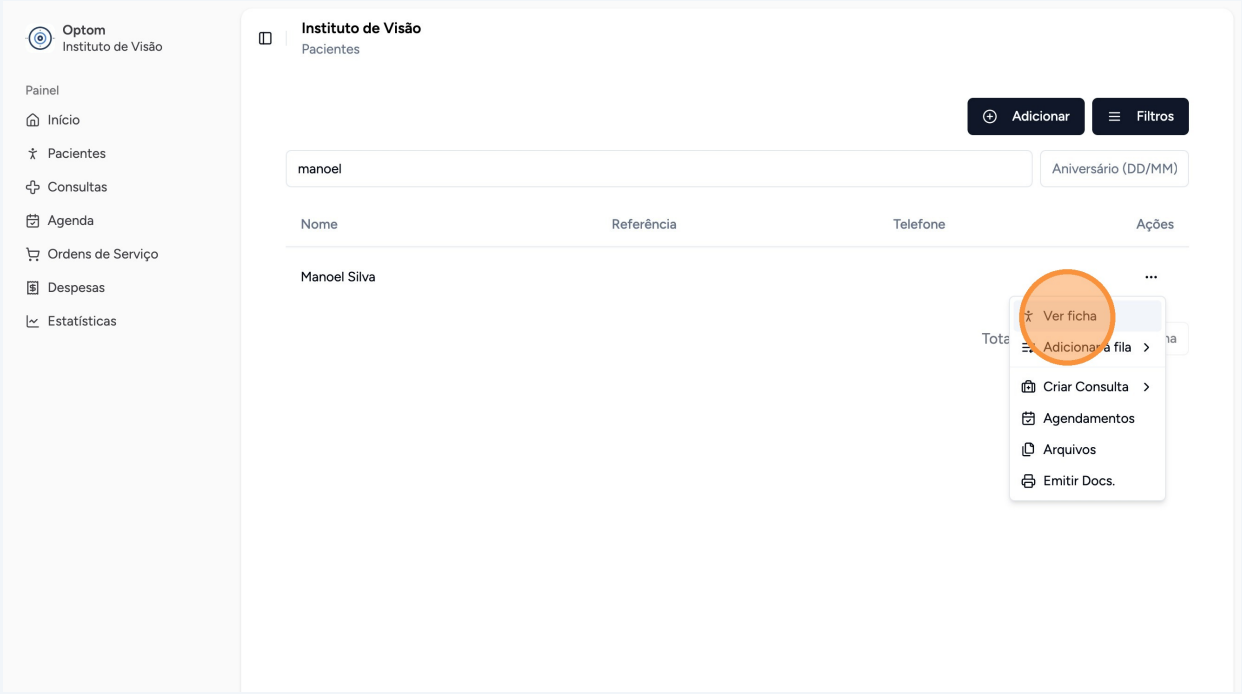

4 Digite "manoel", por exemplo

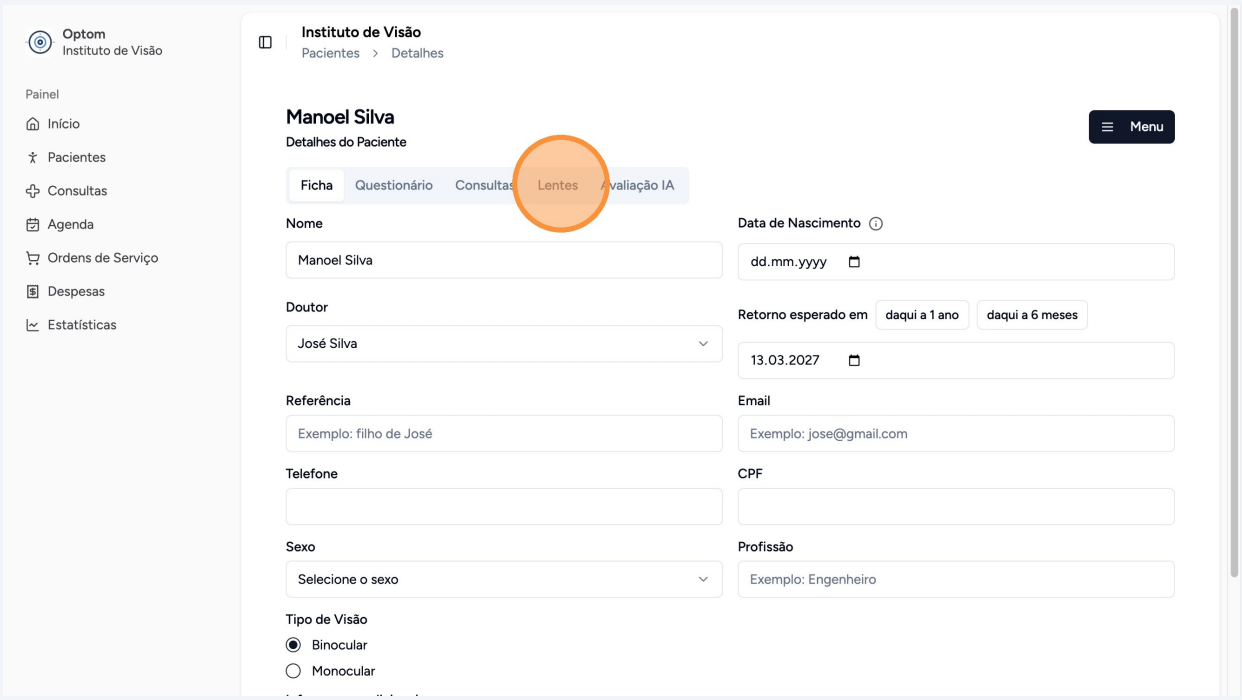

5 Clique no botão de ações "..." do paciente desejado

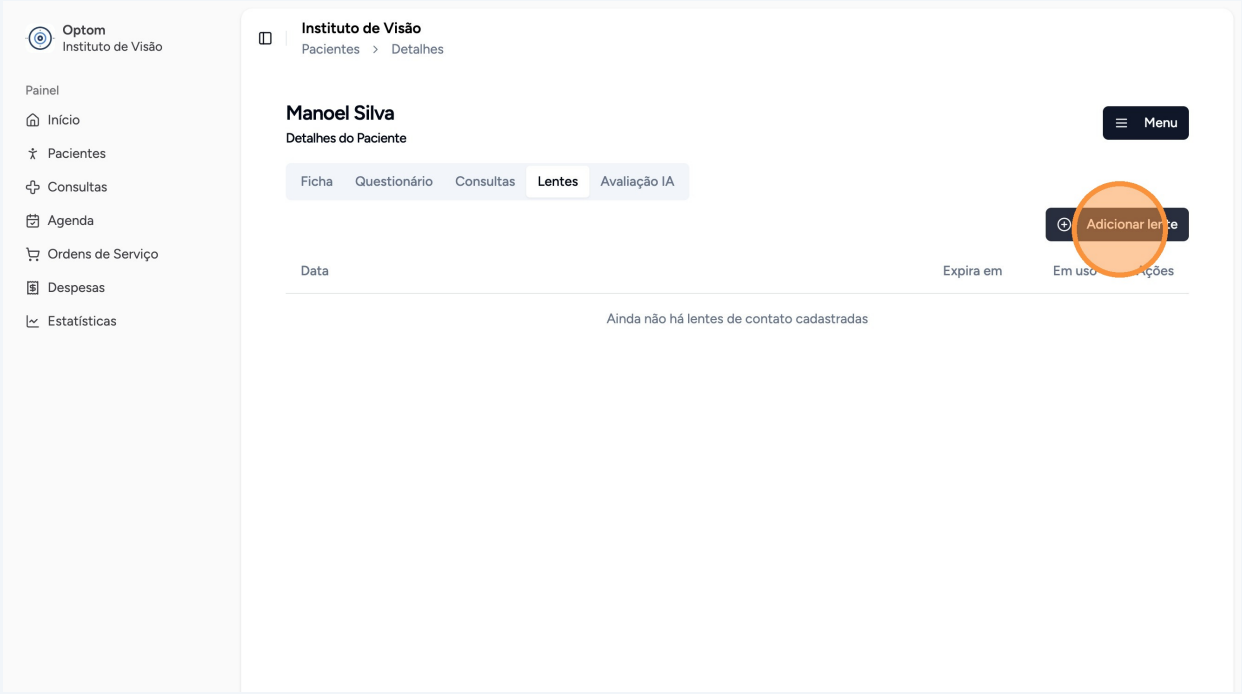

6 Clique em "Ver ficha"

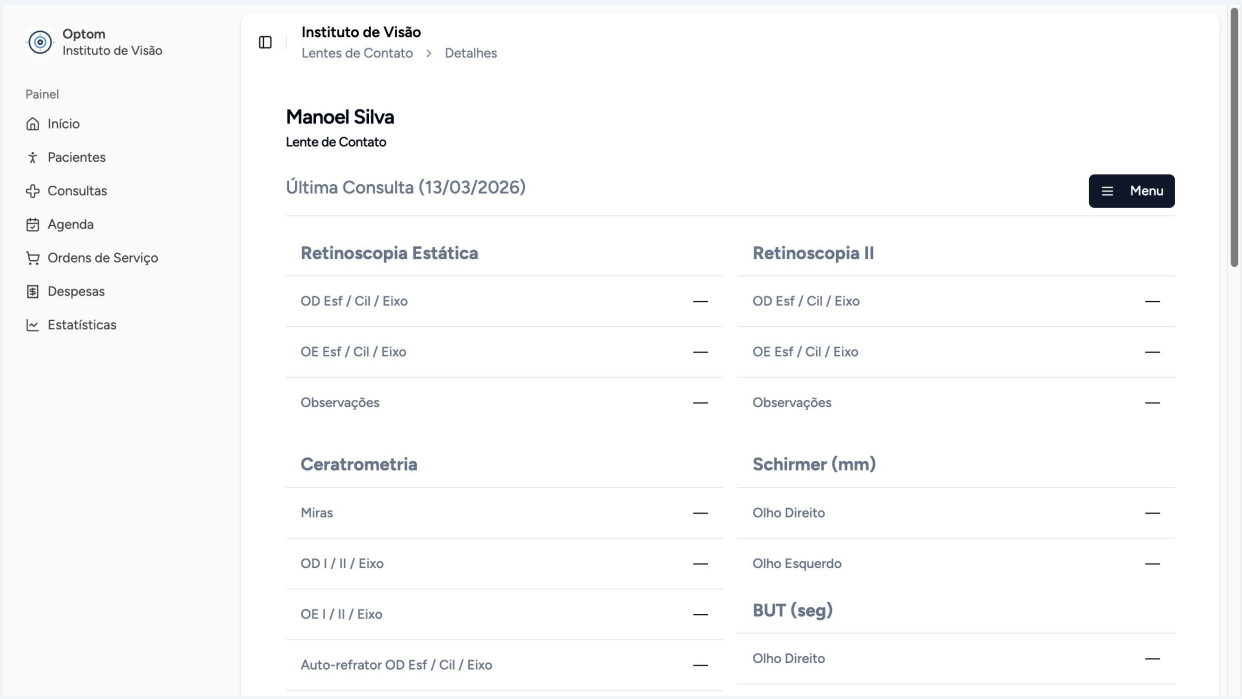

7 Clique na aba "Lentes"

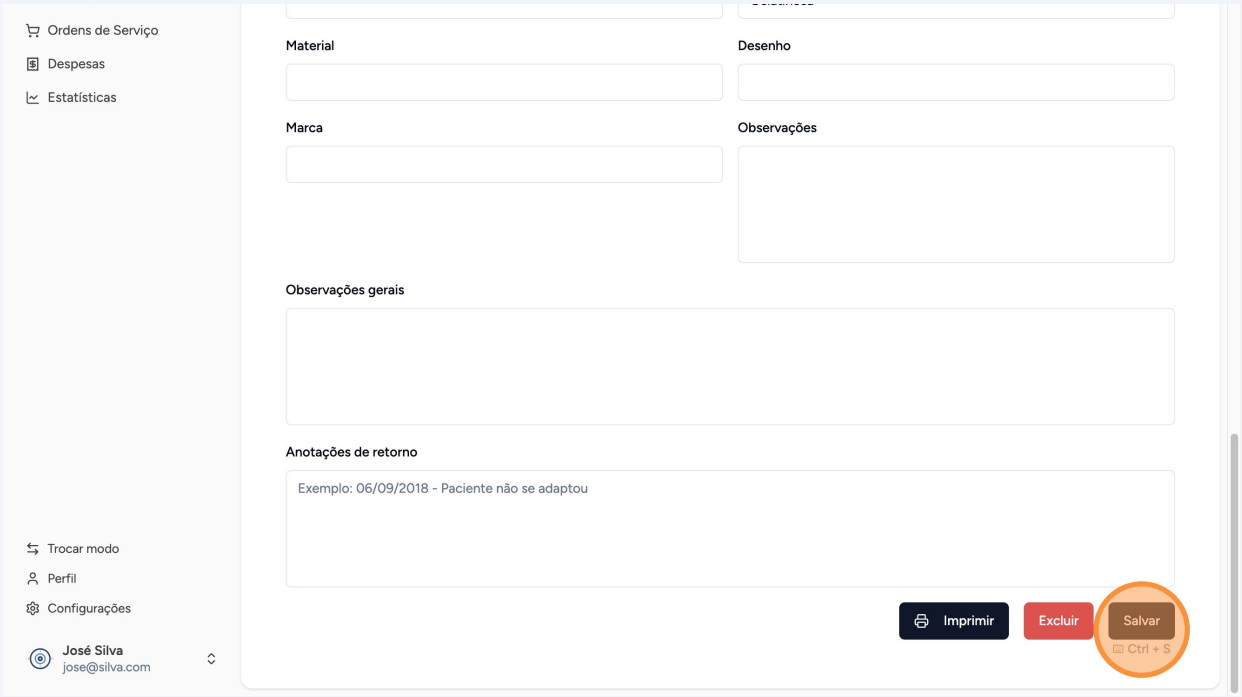

8 Clique em "Adicionar lente"

9 Preencha os dados da lente de contato

10 Clique em "Salvar" no final da tela

11 Clique em "Imprimir"
